SASKATOON
COMMUNITY
FOUNDATION

A COMMUNITY FOUNDATION IS ALWAYS A BRIDGE BETWEEN THE PAST AND THE FUTURE. WE REPRESENT THE WILL OF DONORS FROM THE PAST 46 YEARS WHO HAVE ENTRUSTED US WITH THEIR GIFTS TO THE COMMUNITY, AND WE MUST HONOUR THOSE GIFTS AND INTENTIONS IN GOOD FAITH. BY THE SAME TOKEN, WE SERVE THE COMMUNITY IN THE PRESENT DAY, AND WE MUST STRIVE TO BE RESPONSIVE AND RELEVANT TO THE NEEDS OF SASKATONIANS IN 2016 AND FORWARD.

L to R: Carm Michalenko, Executive Director and Greg Keller, SCF Chair

SCF has undergone strategic planning to ensure we are responsive to key issues in our community. Our granting focus on the first 2000 days of life has supported projects which will help to define a healthier, more resilient generation of young people to come. As well, in 2016 board and staff united in the decision to make reconciliation issues a major focus for our activities in 2016 and the years to come. SCF signed the Philanthropic Community's Call to Action on the Truth and Reconciliation Commission's 94 recommendations. Our staff participated in the reconciliation walk, Reconciliation Gathering at Wanuskewin, and the Wichihitowin Conference on Aboriginal Engagement. We also sponsored a screening of the Gord Downie film "The Secret Path."

Random Act of Kindness Day set new records for participation and helped to spur the growing success of our social media, with more volunteers and more Kindness Crews than ever before, keeping SCF present in the public eye. The PotashCorp Saskatoon Community Foundation Cultural Gala celebrated its Diamond Anniversary, earning \$225,000.00 for our community. It gave us a chance to recognize the special contributions of Donald and Mardele Atchison by creating a permanent endowed fund in their name.

With many changes on the world scene, 2016 was a challenging year for any organization involved in management of investments. Despite somewhat lower returns in 2015 of 2.02 percent, our accumulated surplus from 2013 and 2014 allowed SCF to continue to grant at its typical level of 3.5% in 2016. This is the

strength of our long-term endowment model. The market may fluctuate, but our management strategy allows us to maintain consistent support to our community through challenging times. The Foundation implemented a new Statement of Investment Principles for our investments. The Statement was developed by our Investment Committee under the guidance of AON Hewitt and approved by our Board. The Statement's asset mix is designed to provide stable long term returns and now makes provision for investments in real estate and mortgage pooled funds.

Since 1970, the Saskatoon Community Foundation has been building a base of support for local charities that will last forever. As our funds grow, so does our ability to help our community. In 2016, SCF continued its high level of support for the community with \$5.17 million in grants, bringing our total grants since 1970 to over \$29 million! The majority of these millions have been granted in recent years, and this will continue to grow in future. Our donors have continued to put their trust in the community foundation's management, with \$2.3 million in gifts received in 2016. It was a challenging year in the financial markets, with our investments earning a return of 3.22%, which brings our 10 year average return to 5.11%.

The Saskatoon Community Foundation would like to thank the thousands of donors who have helped to build a permanent base of support for local charities, creating legacies and memorializing the citizens who shaped our community. Your community makes you and you make your community! 🌈

OUR STAFF

THE STAFF TEAM AT THE SASKATOON COMMUNITY FOUNDATION MAKES CONTACT WITH THE PAST AND FUTURE OF OUR COMMUNITY EVERY DAY. OUR PAST IS AT THE HEART OF MANY OF OUR DAILY ACTIVITIES. ADMINISTERING FUNDS CREATED BY DONORS LAST YEAR OR DECADES AGO, ENSURING THEIR WISHES ARE HONOURED, AND CONTINUING GRANT SUPPORT TO ORGANIZATIONS THAT HAVE PLAYED THEIR ROLES IN SHAPING OUR COMMUNITY OVER THE YEARS.

Each of these elements of our past helps to provide directions for our future. The projects we fund carry our donors' wishes forward, extending their contributions beyond their lifetimes. Our strategic planning ensures that we will continue to grow and change with our community so that we are always responsive to the current needs of our community. Each new gift increases our ability to support our community. Each new donor adds a personal commitment and intent to create positive change in the years to come. Likewise, each member of the staff team brings a history of engagement with our community and a vision for how they can contribute to a better Foundation and a

stronger community going forward. It is our honour to stand at this point of contact between the past and future. We can help you make those connections, too. Let us help you plan a permanent legacy of support for our beloved city. Make contact with us, and we will go forward from there! 🌈

GRANT PROFILES

THE FIRST 2,000 DAYS OF LIFE

2016 MARKED SCF'S SECOND YEAR OF GRANTS TO SUPPORT YOUNG CHILDREN. BEGINNING IN 2015, OUR BOARD OF DIRECTORS CHALLENGED OUR GRANTS COMMITTEE TO FOCUS OUR EFFORTS TO CREATE THE MAXIMUM IMPACT POSSIBLE WITH OUR LIMITED GRANT FUNDS.

Through consultation with experts and the body of research, it was decided that the best opportunity to make an impact on the quality of life in the community was by making grants to help the youngest citizens of Saskatoon, during the first 2,000 days of life. During this period, children learn crucial skills and social patterns that will affect their lives in the years to come. SCF continues to make a wide variety of grants to many types of projects. Our early years focus for our

grants will bear fruit for our community as these kids become the next generation of leaders and innovators, healthy, strong, and with the support they need to succeed. The following pages profile a few of those grants. 🌱

SIGNATURE GRANT

READ SASKATOON'S FAMILY LITERACY LEARNING CENTRE

IN 2016, READ SASKATOON ACQUIRED NEW OFFICE SPACE WITH A LONG-TERM LEASE. KNOWING THEY WILL HAVE THEIR NEW SPACE FOR MANY YEARS, READ APPROACHED SCF FOR ASSISTANCE IN CREATING A LEARNING SPACE FOR FAMILIES AND CHILDREN.

Our 2016 Signature Grant helped to create the Family Literacy Learning Centre. The Centre provides many ongoing and long-lasting benefits for children and those who work with children in our community. The learning outcomes for families and kids will include increased literacy activities for parents to support their children's emerging literacy development, enhanced parent/child engagement, increased awareness of community involvement and interaction, and increased facilitation skills, tools, and strategies for working

with children and their families. As part of the new lease arrangements, READ sublets space to two other organizations, the MS Society and the Arthritis Society, both of which can use the space for their programs for young children as well. Likewise, READ has longstanding partnerships with many organizations in the community, to ensure that the space is always providing benefits to our community, particularly its youngest citizens! 🌟

FASD REMAINS A LARGELY MISUNDERSTOOD DISORDER. SOME OF THE PROMINENT NEWS STORIES FOCUS ON THE STEREOTYPICAL FACIAL CHARACTERISTICS, BUT ACTUALLY 90% OF PEOPLE LIVING WITH FASD DO NOT HAVE THOSE TRAITS.

Likewise, because the presence of any alcohol, even one drink, in the system during the first few weeks of pregnancy can cause a wide range of changes to the development of the embryo, anyone can be affected not just people with serious substance issues. The largest risk groups are university age women and single professionals in their 30s. Children living with FASD may experience unusual challenges in behaviour and processing of information in the brain. The FASD

Network helps families dealing with FASD find the supports and services they need to address these challenges. Occupational therapists, like those at Theraplay (pictured), can provide programs of sensory stimulation that assist the children in processing information, help improve behaviour and give children the support they need to live better lives. 🌱

CARE & SHARE BABYSITTER PROGRAM

THE SAFETY OF CHILDREN IS A TOP PRIORITY IN EVERY COMMUNITY. HOWEVER, MANY CHILDREN ARE FREQUENTLY LEFT IN THE CARE OF OTHER CHILDREN, WHETHER DUE TO WORKING PARENTS OR OTHER CHALLENGES FACED BY THE FAMILY.

Care and Share partners with St. John Ambulance to provide over 200 children each year with the skills they need to safely care for other kids, whether they are needed by their own families to care for siblings or can earn their first form of income by babysitting for others. The course teaches infant care from how to safely heat milk or formula to how to correctly diaper a baby. It teaches basic home safety, CPR, diet and other skills needed to watch over young ones.

The babysitting program teaches new skills to 11 and 12 year olds which will help to keep younger kids safe, happy and secure, and which will also serve them well as they eventually become parents themselves. 🌱

FAMILIES AT THE YWCA SHELTER NEED MORE THAN JUST A PLACE TO STAY. MANY OF THE MOMS STAYING AT THE SHELTER NEED ACCESS TO RESOURCES AND POSITIVE MODELS TO IMPROVE RELATIONSHIPS WITH THEIR CHILDREN.

The YWCA Moms and Kids Group provides moms with tools to build nurturing parent-child relationships and secure attachments. The group allows women who are living in highly stressed situations the ability to relax in a safe setting and build relationships with their children, regardless of the severity of their current crises. Moms learn tools to create closer bonds with their children, including hands-on role modeling to develop skills to support their children's early learning

and development, education to assist moms with caring for their children, and support in building strategies to cope with the stressful realities and frustrations of everyday parenting. Activities offered for the families include cooking, playing games, outings, and crafts, all of which help the moms on their journey to closer and more nurturing bonds with their children. 🌈

AUTISM SUMMER PROGRAM

AUTISM SERVICES SUMMER PROGRAM OFFERS CHILDREN AND YOUTH FROM AGES 3-19 DIAGNOSED WITH AUTISM THE OPPORTUNITY TO PARTICIPATE IN WEEK LONG DAY CAMPS. THE SUMMER PLAYTIME CAMP SERVES KIDS AGED 3-6. GROUPS IN THIS CAMP ARE SMALLER WITH HIGH STAFF RATIOS TO ACCOMMODATE THE NEEDS OF YOUNGER CLIENTS.

Activities include the spray park, Children's Museum, and Kinsmen Park. Autism consultants also provide specific behavior plans to be implemented during the course of the recreational activities. Some of the main behavioural target areas include transitions, taking turns, waiting and communication. Autism Services also provides camps such as the Awesome Adventures camp and the Fun in the City camp for children and youth aged 7-19. Activities are chosen based on the level of supervision and support required, including horse riding

therapy, bowling, swimming, day trips to Blackstrap and Pike Lake, trips to the Forestry Farm, Western Development Museum, Meewasin Valley Centre and more! The camps promote a healthy, active environment for individuals with autism spectrum disorders by providing them with opportunities to engage with peers in a safe and supportive area. They also provide respite care for parents/ caregivers of children and youth. 🌈

2016 POTASHCORP CHILDREN'S FESTIVAL

ON JUNE 4-7, 2016, THE 28TH ANNUAL CHILDREN'S FESTIVAL WAS HELD IN KIWANIS PARK AND WAS ATTENDED BY OVER 8000 PEOPLE. FREE FESTIVAL PASSES WERE DISTRIBUTED TO CHILDREN WHO FACE SOCIAL, PHYSICAL OR FINANCIAL BARRIERS TO PARTICIPATION.

As well, 56 school classes, typically local Community Schools, received wholly or partially subsidized tickets. The Children's Festival plans progressive programming which evolves to reflect our ever-changing community. In 2016, the Art français venue increased the Francophone content at the Festival. The Childhood Around the World venue offered more for the newcomer communities of Saskatoon, and the translation of the welcome message into Cree was

more inclusive of First Nations. The Children's Festival features a unique combination of performances for young audiences and interactive venues that allow kids 5 and under to engage in stimulating play. 2016 programming for this age group included: the very popular children's musician Norman Foote; the comedy/magic show Kid's Mega Magic Show; street circus artists including Gustavo The Impossiblist, The Hockey Circus Show and the Silver Starlets aerial act; the incredibly popular Lego Community Build; the KinderGarden venue (featuring the Imagination Playground, gigantic foam bricks that can be used to build large structures); "Music and Movement" workshops from Move N Soar; interactive hula hoop workshops; and story-telling venues, among other attractions. 🌈

FUND PROFILES

JERET & KELLY BODE FAMILY FUND

JERET AND KELLY BODE ARE BOTH PASSIONATE ABOUT SASKATOON AND ITS COMMUNITY. KELLY HAS SPENT NEARLY HER ENTIRE LIFE IN SASKATOON AND JERET, WHO GREW UP OUTSIDE OF YORKTON, HAS CALLED SASKATOON HOME SINCE HIS UNIVERSITY DAYS.

Jeret and Kelly both attended the University of Saskatchewan, where they obtained six degrees between the two of them. Kelly is currently a corporate lawyer and partner at WMCZ Lawyers and Jeret is Managing Director of Investment Banking at Industrial Alliance Securities Inc.

Jeret and Kelly dedicate many hours giving back to their community and have served as board members for organizations including the Saskatoon Community Foundation, Saskatchewan Young Professionals and Entrepreneurs (SYPE), the Saskatoon Club and Information Services Corporation for Jeret and the Greater Saskatoon Chamber of Commerce, YWCA, the Princess Shop and Saskatchewan Research Corporation

for Kelly. The Bodes have each been honoured with several awards and nominations for their commitment to their community and professions. Jeret and Kelly met in downtown Saskatoon where they passed each other on the street every morning as they walked to their respective offices. They were overjoyed to welcome their daughter, Nora, to the world in August of 2015 and are excited to raise their family in Saskatoon. The Bodes created their fund to give back to the community that provided the foundation for their successes and, in particular, hope that the fund will be used to support the growth of business in Saskatoon. 🌱

BRAY FAMILY FUNDS

DR. GORDON AND BETTY BRAY HAVE BEEN SUPPORTERS OF THE SASKATOON COMMUNITY FOUNDATION FROM THE START. DR. GORDON BRAY WAS A BOARD MEMBER FOR MANY YEARS AND A FIRM BELIEVER IN SCF'S MODEL OF CREATING LONG-TERM SUPPORT FOR OUR COMMUNITY THROUGH BUILDING ENDOWMENTS.

Like many donors, Gordon and Betty contributed regularly over the years, and through accumulated contributions, established a Designated Fund, the **Dr. Gordon & Betty Bray Fund for Shakespeare on the Saskatchewan**. But their contributions did not stop there.

Both Betty and Gordon were involved with the community in many roles. They counted their blessings and wanted to pass it on as best as they could through

volunteerism. In addition to sitting on the SCF Board, Gordon was also a board member at the Saskatoon City Hospital. He was president of the Canadian Association of Radiologists and was also invited to become the first Canadian on the American College of Radiology Steering Committee. Betty received her Bachelor of Social Work after she raised her children, and worked closely with non-profits, such as Big Sisters. She sat on the boards for the Persephone Theatre, the Mendel Art Gallery and on the national board for the YWCA. Betty was also a role model, becoming the first female board chair of the United Way of Saskatoon.

Their contributions to the Saskatoon community continued after their passing. The Brays created a Community Builder Agreement with SCF through a life insurance policy and through their wills. The agreement directed SCF to continue their contributions to the community. Funds from their life insurance policy established the **Dr. Gordon & Betty Bray Memorial Fund, a Designated Fund**, to benefit their chosen charities of the United Way, Remail Modern Art Gallery, YWCA and the Saskatoon Community Foundation administration.

The Brays supported the art scene in Saskatoon through volunteering and by attending many performances. They saw the arts as a reflection of life, mirroring human nature and our course of action through each period of time. They wished to continue to support the arts and to address a concern that, when times are

hard, funding for the arts always seems to be the first to go. Their Community Builder Agreement with the Saskatoon Community Foundation arranged for a bequest from their estate to create the **Dr. Gordon & Betty Bray Arts Fund, a Donor Designated Fund**, to support the Persephone Theatre and the Saskatoon Symphony.

Throughout their lives, Gordon and Betty taught their children the importance and benefits of philanthropy. To enhance their children's philanthropy experience, the Brays left the Saskatoon Community Foundation additional funds, with direction to be stipulated by their children, Scott Bray and Linda Gillis. Linda chose to establish the **Bray Memorial Shelter for Women** and the **Bray Memorial Welcoming Fund**, both Flow Through Funds, while Scott Bray created the **Bray Memorial Community Fund**, an Unrestricted Fund and the **Bray Memorial Fund**, a Designated Fund, which supports Shakespeare on the Saskatchewan and the Sherbrooke Community Society.

In the future, Linda and Scott will continue to grow the established funds over time, while Scott and his wife, Carolyn, are looking to follow Betty and Gordon's path by establishing their own Community Builder Agreement. Scott is excited about the work that the SCF is doing on Reconciliation and wants to be involved. In his own words, Scott reflects, "There is joy and contentment in knowing others will continue to enjoy the benefits of these funds long after we are gone. These legacies last forever. If anyone feels strong enough to leave a legacy, don't wait and do it now. Start small and build."

MNP COMMUNITY FUND

MNP WAS ESTABLISHED IN 1958 AND IS A LEADING NATIONAL ACCOUNTING, TAX AND BUSINESS CONSULTING FIRM IN CANADA. (WWW.MNP.CA) OUR FIRM IS BUILT ON SEVERAL CORE VALUES, INCLUDING VALUING OUR PROFESSIONS AND OUR COMMUNITIES. WE BELIEVE THAT BEING A SUCCESSFUL BUSINESS IN A COMMUNITY MEANS YOU HAVE A RESPONSIBILITY TO GIVE BACK TO YOUR COMMUNITY, THROUGH YOUR TIME, TALENTS AND TREASURES.

Individually, our partners each have personal interests that are near and dear to them, who volunteer their time and expertise to a number of organizations. Although our partnership is national, the MNP Community Fund with the Saskatoon Community Foundation was created by our local Saskatoon partners as a way to collectively give back to our community, in the hopes that we would give more as a group than we otherwise would individually.

A key to our firm is that we operate as one team – we achieve success as a team and we fail as a team. This “one firm” spirit has lead us to be involved in our community, as we realize we are better if we work together. This fund was a way for us to give dollars back to the communities where we choose to live, to work and to raise our families. What this fund did was increase the philanthropy of our group. We also hope that this fund sets an example for our team, not only as something they can be proud of, but also something they can personally aspire to do at some point.

The Saskatoon Community Foundation was an obvious choice because of the flexibility of the fund. MNP plan an annual giving component within the organization. We wanted to contribute to a fund annually, with the intention that we would flow funds out to the community; however, we didn't want to wait to contribute until we knew exactly where those funds would be placed. For us, to personally set up a foundation would

have been an administrative burden, and working with the Saskatoon Community Foundation takes away those challenges. Our partnership is different from a family owned business or a corporation with a value to return a percentage to the community. We are a group of diverse individuals with competing priorities. Creating this fund gave us the opportunity to come together and find worthy projects or organizations that we are passionate about. We are incredibly proud of our partner team for establishing this fund and we look forward to watching our contributions grow.

We would suggest there are many firms and businesses like us, wanting to do something, but struggling to know where to start. We believe that if not for the Saskatoon Community Foundation, we would not have been able to accomplish this goal. The staff made our involvement easy, and if anyone is wondering whether this could be a fit for their business or group of individuals, we suggest you explore that opportunity.

We truly believe that without this fund, our collective contributions to the community would be significantly less than they are with this fund. We are excited to watch our community impact grow. 🌱

THE ROSSNAGEL FAMILY FUND

BRIAN AND LAUREL HAVE BEEN ACTIVE DONORS IN THE COMMUNITY AND HAVE SUPPORTED SEVERAL CAUSES, INCLUDING UNDERGRADUATE STUDENT SCHOLARSHIPS IN AGRICULTURE AT THE UNIVERSITIES OF SASKATCHEWAN AND MANITOBA AND FOR THE U OF S HUSKIE ATHLETICS.

Brian grew up on a farm near Plumas, Manitoba and Laurel on a farm near Stony Beach, Saskatchewan. Brian studied at the University of Manitoba for his undergraduate and PhD degrees in Agriculture and Laurel graduated from Red River Community College in Winnipeg. They moved to Saskatoon in 1977 where they both began lengthy careers at the University of Saskatchewan. Brian spent 35 successful years as a member of the Crop Development Centre, College of Agriculture and continues to pursue part-time research interests as Distinguished Professor Emeritus since retirement in 2011. Laurel retired in 2005 after 30 years in various administrative positions including 16 years with University Advancement giving both she and Brian a good understanding of the challenges and rewards of fundraising. Since then she has pursued her art, spent more time golfing, helped her parents in their senior years and volunteered for favorite causes.

During his career Brian has volunteered extensively in the agriculture arena at the local, provincial, national and international level receiving a number of recognition awards for that leadership and effort. At present, Brian is Board Chair of Prairieland Park Corporation. He has also been an active member of the Saskatoon Prostate Support Group for the past few years. Having volunteered for several local organizations in the past, Laurel spent 2011 on the Mendel Art Board of Trustees and five years as a board member at Riverside Country Club.

Experiencing the failing health of elderly parents created increased knowledge of the health system and recognition of the value of contributions to Saskatoon's hospitals and health organizations. Thus, it seemed appropriate to set up the Rossnagel Family Fund at the Saskatoon Community Foundation to provide annual contributions to specific areas of health. The opportunity to establish and continue to contribute to a fund managed by the Foundation is an excellent way

"We have been impressed by the competence of the board and management of the Foundation and the successful annual fund growth that has been accomplished. This longevity and continuing legacy is one of the reasons we moved to establish our fund and why we encourage others to do the same."

to grow our funding support for causes we are passionate about. Being able to increase the fund through donations of stocks, investments, or cash provides us, as donors, attractive options. 🌱

AUDREY BENTLEY FUND

AUDREY BENTLEY WAS ONE OF SIX CHILDREN BORN TO MARTHA AND WILLIAM RILEY. AUDREY WAS BORN IN SASKATOON AND GREW UP IN SASKATOON'S WEST SIDE PLEASANT HILL NEIGHBOURHOOD, ATTENDING ST. MARY'S SCHOOL AND TECH FOR HIGH SCHOOL. A WOMAN OF STRONG CATHOLIC FAITH, ST. MARY'S ALWAYS HELD A SPECIAL PLACE IN AUDREY'S HEART, AND SHE REMAINED CONNECTED TO THIS COMMUNITY THROUGHOUT HER LIFE.

From an early age, she sang in choir at St. Mary's for countless masses, weddings and funerals. She loved music and believed it could be used in so many positive ways to sooth, comfort sorrow, and delight. Her faith always sustained her, and although she had little to spare, she always shared her time and energy as well as whatever she could financially with the church community.

She had one son, Brian, who rose to the position of Fire Chief for the City of Saskatoon, and who served on the Board of Directors for the Saskatoon Community Foundation from 2011 through 2016. As well, she had one grandchild, Meaghan Cawley, whom she adored. Audrey took the greatest delight in seeing Meaghan grow into adulthood.

Audrey worked hard her whole life, and before age and Alzheimer's started to rob her of life's pleasures, she wanted to give what she could to her beloved St. Mary's Charities, or as she called it her "back door feeding program" that functions to this day. Audrey set up a planned gift with the Saskatoon Community Foundation because she trusted the Foundation to continue to provide help and support to St. Mary's into the future.

Audrey is survived by her son Brian, daughter in law Toni, granddaughter Meaghan and her fiancé Kyle, her brother William (Iris) and numerous nieces and nephews.

The Audrey Bentley Fund at Saskatoon Community Foundation will ensure her memory and dedication to the work of St Mary's (Roman Catholic Church) Charities will live on. 🌈

WELCOME FUND FOR SYRIAN REFUGEES

The Welcome Fund for Syrian Refugees was established by Community Foundations of Canada to provide housing, job training and skills development support for the 25,000 refugees who were welcomed in communities across Canada in 2016.

Saskatoon Open Door Society (SODS) received two grants in 2016 totalling \$52,500 to assist the over 70 families (as well as couples and individuals) who arrived in Saskatoon.

The funds were put to good use according to SODS Executive Director Ali Abukar: "On behalf of our Saskatoon Open Door Society' board of directors, staff, management and clients, I would like to express our gratitude for the Syrian Welcome Fund to provide support to Syrian refugees' resettlement integration into our community. The support the Saskatoon Community Foundation provided to us was invaluable and touched the hearts of the Syrian refugee families. It helped to meet the basic needs of these families and empowered them to access skills that will help them integrate into the labor market and contribute to our economic and social prosperity."

The Saskatoon Community Foundation thanks Community Foundations of Canada for its ongoing efforts to partner with local foundations to address emergent challenges in our Canadian society. 🌈

POTASHCORP
SASKATOON COMMUNITY FOUNDATION
CULTURAL GALA
A DIAMOND ANNIVERSARY CELEBRATION!

**2016 MARKED THE DIAMOND
ANNIVERSARY OF THE POTASHCORP
SASKATOON COMMUNITY FOUNDATION
CULTURAL GALA. IT ALSO MARKED THE
7TH ANNIVERSARY OF POTASHCORP'S
TITLE SPONSORSHIP OF THE ANNUAL
SCF EVENT.**

The Gala was, as always, a splendid affair, with amazing cultural entertainment and unparalleled gourmet dishes. Performances by the Saskatoon Caribbean Steel Band, Heidi Munro and the ReelGroovyBand and Move N Soar greeted attendees as they entered the Gala. The evening also featured performances by Saskatoon Children's Choir, Metis dancers Warren Isbister-Bear, Neanna Sasakamoose, Steven Prosper, and Courtney Anaquod, the renowned Yevshan Ukrainian Folk Ballet Ensemble and Durga Fire Dance, followed by a dance with Saskatoon's Legendary Rhythm and Blues Revue.

With great auction packages including Saskatchewan Rush and Edmonton Oilers game packages, a painting by acclaimed artist Muveddet Al-Katib, and a signed Gordie Howe jersey, this event raised over \$225,000 for Saskatoon, Forever!

Over the ten years of the Gala's history, this event has raised a total of over \$3.2M for the Saskatoon Community Foundation. These funds will continue to support Saskatoon charities now and in the future. The partnership with PotashCorp has been instrumental in drawing other prominent local businesses to the Gala, creating lasting partnership between SCF and the private sector. The Gala has created a sense of competition among our partners to see who can do the most for our community. As well, the Gala has brought together a wide cross-section of the finest cultural performers our community has to offer and allowed a broad audience to appreciate their talents and the wonderful diversity of our cultural community.

Most of all, the PotashCorp Saskatoon Community Foundation Cultural Gala has been a celebration of our community, working together, embracing our future, and sharing our lives. For ten years, the Gala has celebrated what makes our community great, and the proceeds of that celebration will support Saskatoon forever. Thank you Saskatoon! 🌱

We were also able to recognize the inspiring participation and sponsorship of Don Atchison and his wife Mardele by creating the **Donald and Mardele Atchison Fund**, a permanently endowed fund which will forever recognize the legacy of their commitment to SCF and to our community.

SALUTE 2016!

ON MAY 10, 2016, CHARITIES, DONORS, VOLUNTEERS AND STAFF GATHERED AT PRAIRIELAND PARK FOR SALUTE!, A CELEBRATION OF THE SASKATOON COMMUNITY FOUNDATION'S 2016 QUALITY OF LIFE GRANTS. SALUTE! HIGHLIGHTS THE IMPACT OF SCF'S STRATEGIC GRANTMAKING FOR OUR DONORS AND SUPPORTERS, PROVING THE VALUE OF THE CHARITABLE LEGACIES THEY CREATE THROUGH OUR FOUNDATION.

L to R: Greg Keller, SCF Chair; Jay Stark, Sutton Financial Group; Carm Michalenko, SCF Executive Director; John Cross, Cornerstone of the Community Award Recipient.

Quality of Life Grants is the Saskatoon Community Foundation's core unrestricted granting program. This program grants more funds to Saskatoon charities than any other granting program at SCF. Our unrestricted funds come from gifts from literally thousands of donors over the years, all of whom made the decision to allow SCF discretion to grant the funds where they can make the greatest impact on our city's quality of life. Our granting policy and dedicated committee of community volunteers ensures that our grants respond to the relevant issues facing our community today.

In 2016, SCF continued its special focus on children in the first 2000 days of life. By continuing to focus on young children, SCF hopes to make a lasting impact on an entire generation of kids in our community.

Sponsored in 2016 by Sutton Financial Group, Salute! reflects SFG's focus on building resources for the long-term. Salute pays tribute to the charities, staff and volunteers, who each year carry out the will of our donors by using SCF grants to provide programs and services that improve the quality of life in Saskatoon. Salute! also pays tribute to the many donors over our 46 year history who gave generously to ensure that our community would be supported through the work of these wonderful organizations.

Jay Stark from Sutton Financial Group brought greetings as our sponsor. As well, we invited 2015 Cornerstone of the Community Award recipient John Cross to talk about his many decades of work in building our community, not only through his innovations in crop science, but also through his mentorship and support for so many businesspeople and entrepreneurs in our community. Dean Dodge from Saskatoon Family YMCA spoke about our 2015 Signature Grant, which created a new outdoor play and learning space for the YMCA's daycare, ensuring that young children in our city have the opportunity to develop and grow in a healthy and positive environment. (The 2016 Signature Grant to READ Saskatoon was made later in the year and is profiled on page 9 of this report!)

Thanks to all our donors and supporters for giving the Saskatoon community Foundation the resources to ensure that charitable projects of all types are supported in our community! 🌱

THE TRUTH AND RECONCILIATION COMMISSION AND ITS CALLS TO ACTION AFFECT EVERY CANADIAN AND RIGHTLY COMPLICATE AND CHALLENGE OUR NOTIONS OF CITIZENSHIP. ALL OF US, AS INDIVIDUALS AND IN THE ROLES WE PERFORM IN OUR COMMUNITIES, MUST CHALLENGE OURSELVES TO FIND PATHWAYS TO HEALING AND RECONCILIATION. IN 2016, THE SASKATOON COMMUNITY FOUNDATION MADE RECONCILIATION AN AREA OF FOCUS FOR OUR ACTIVITIES IN SUPPORTING THE DEVELOPMENT OF OUR VIBRANT COMMUNITY.

Between the late 1880s and 1996, the residential school system took over 150,000 indigenous children from their homes, families and communities. According to Justice Murray Sinclair, head of the TRC, at least 6000 children died in the care of that system. However, the federal government stopped recording the deaths around 1920 after the chief medical officer at Indian Affairs suggested children were dying at an alarming rate. The TRC fears that the number may have been as many as 30,000.

In June 2016, the Board of Directors for SCF signed the Philanthropic Community's Declaration of Action on the TRC. SCF staff participated in the Walk for Reconciliation in June, participated in the National Reconciliation Gathering at Wanuskewin in June, and attended the Wicihitowin Conference on Aboriginal Engagement in October. Also in October, SCF assisted in presenting a public screening of the animated film, *The Secret Path*, written and directed by and featuring the music of Gord Downie of the Tragically Hip, which tells the story of a young man who died trying to escape his residential school in 1966. Over the last three years, indigenous representation has begun to grow on SCF committees, most particularly the Grants Committee. As our relationships grow, we look to a more inclusive future, with a better representation of all the cultures and concerns that make up our community.

The task is not easy. Community foundations, as per CRA regulations support registered charities with their grants. However, very few charities across Canada or in Saskatoon have a distinctly indigenous focus, though many do serve a significant number of indigenous people. So, in order for SCF to focus its granting on themes of reconciliation, we must seek out new partnerships between charities, indigenous groups or programs that may not have charitable status, and other funders who can assist us in projects that can improve indigenous and non-indigenous communities in Saskatoon and area.

"RECONCILIATION CANNOT BE DELEGATED."

It has to be real and genuine. It has to be everyone's job. You sincerely respect the people and relationships you build with them. At SCF, we don't yet know all the possible paths and directions that our reconciliation journey will take. We don't know, any more than any Canadian, where our work will take us. We begin by acknowledging the truth of the past, committing as people and as an organization to work toward healing, and seeking a vision of a better future in which we can proudly proclaim Canada the "true north, strong and free." 🌈

STRATEGIC ALLIANCE AWARD

VERECO HOMES LTD AND THE SASKATCHEWAN ENVIRONMENTAL SOCIETY

EACH YEAR, THE SASKATOON COMMUNITY FOUNDATION HONOURS A SASKATOON BUSINESS WITH ITS STRATEGIC ALLIANCE AWARD. THE AWARD RECOGNIZES THE BUSINESS PARTNER IN AN ONGOING ALLIANCE BETWEEN A BUSINESS AND A CHARITY, WITH OUTCOMES THAT ENHANCE THE QUALITY OF LIFE IN SASKATOON AND BENEFIT BOTH THE CHARITY AND THE BUSINESS. THE AWARD ENCOURAGES STRATEGIC, SUSTAINING, COLLABORATIVE PARTNERSHIPS WITH CLEARLY DEFINED GOALS AND MEASUREABLE OUTCOMES. THE PURPOSE OF THE AWARD IS TO HIGHLIGHT LONG-TERM WIN-WIN PARTNERSHIPS BETWEEN CHARITIES AND BUSINESSES.

The 2016 recipient of the Strategic Alliance Award is Vereco Homes Ltd. Vereco is at the forefront of green building and environmentally friendly and economical homes. Vereco's support of the Saskatchewan Environmental Society has enabled them to create two very important projects together: the Saskatchewan Living Green Expo and the SES Solar Co-op (the first renewable energy co-op in Saskatchewan). Working with SES brings Vereco Homes in contact with many people

in our community who share the same values and interests in environmentally sustainable building, so it is very much a benefit to Vereco to partner with SES.

Congratulations to Vereco Homes Ltd on being the recipient of the 2016 Strategic Alliance Award! As the charity partner, the Saskatchewan Environmental Society receives a \$5000 grant from the Saskatoon Community Foundation. 🎉

L to R: Ronn Lepage, Vereco Homes Ltd.; Allyson Brady, Saskatchewan Environmental Society; Carm Michalenko, SCF Executive Director; Greg Keller, SCF Chair.

RANDOM ACT OF KINDNESS DAY, NOVEMBER 4, 2016

HELPING EACH OTHER IS THE HEART AND SPIRIT OF COMMUNITY HERE IN SASKATOON. FROM OUR PIONEER DAYS TO WELCOMING OF NEWCOMERS TO OUR CITY IN THE LAST FEW YEARS, SASKATOON HAS ALWAYS BEEN ABOUT SHARING EACH OTHER'S BURDENS AND PULLING TOGETHER TO ACHIEVE GREAT THINGS. EVEN OUR SELF-PROCLAIMED TITLE OF "KINDNESS CAPITAL OF CANADA" KEEPS GETTING STRONGER AS MORE PEOPLE THAN EVER, ALL OVER THE CITY, TOOK PART IN RANDOM ACT OF KINDNESS DAY ON FRIDAY, NOV 4, 2016

Random Act of Kindness Day 2016 was the Saskatoon Community Foundation's 4th annual city-wide celebration of kindness promoting a "Pay It Forward" movement in the community that takes place annually on the first Friday in November. In 2016, we more than doubled the number of "Kindness Crews" compared to the 2015 event. These groups actively took to the streets on RAK Day, offering small kindnesses and handing out "Pay it Forward" cards to all those they encountered.

In 2016, RAK Day was driven via social media and our website. Kindness Crews signed up online, and Twitter, Facebook and Instagram (with the hashtag #RAKYXE) were used to document many spontaneous acts of kindness taking place throughout our community. Many people shared their stories of kindness anonymously online, adding momentum to our kindness movement! 🌈

SCF ALSO ADDED A NEW FACET TO ITS RAK DAY ACTIVITIES, WITH A RANDOM ACT OF GRANTING.

\$2000 was granted to Saskatoon Indian and Metis Friendship Centre to support the promotion of Indigenous Futures, a federal program that establishes RESPs for needy families to ensure all Canadians have access to education. SCF has embarked on its journey toward healing and reconciliation in 2016, so look for more acts of sharing and support for our First Nations friends and communities as we move toward a better future for all Canadians in the knowledge that we are all treaty people.

So many people participating, working separately and in teams, helped our city to retain its self-appointed title of "Kindness Capital of Canada." The Saskatoon Community Foundation thanks and commends everyone (and especially the organizing committee!) who helped to make Random Act of Kindness Day a great success! 🌈

YOUTH ADVISORY COUNCIL

L to R: Ryssa Alarcon, Kelly He, Harkirat Bhullar, Matt Zheng, Shreya Pahwa, Adult Advisor, Dennis Lee, Yuxin Bai, Lars Kishchuk, Sid Pahwa, Albert Barsukov, and Adam Heagle

SCF WANTS TO CONNECT YOUNG PEOPLE TO THE SPIRIT OF PHILANTHROPY, GETTING THEM INVOLVED AT AN EARLY AGE IN GIVING TO THEIR COMMUNITY AND LEADING THE WAY FOR A BRIGHT FUTURE IN THE COMING GENERATIONS.

Our Youth Advisory Council members, who are sometimes known as YACs, are the dedicated young men and women between the ages of 14 & 19 who help to determine which youth programs will be supported by the Saskatoon Community Foundation each year.

YACs attend regular meetings to learn about community charities and decide on the types of projects that will be supported each year, based on the most important needs for youth in our community. They work together to plan fundraising and awareness events, and finally, they decide which community charities will receive grants! It's a big responsibility, but it's also a lot of fun! The Youth Advisory Council makes it grants from a special fund created to support youth projects. 🌱

YOUTH ENDOWMENT SASKATOON

In order to support its development of Youth in Philanthropy, SCF created a special fund for youth projects. Many donors came together with many gifts in 2002 to create the fund which was then known as the Batting 1000 Endowment for Children and Youth. In 2004, our newly created Youth Advisory Council made its first round of grants from the fund. Since then, each year, a new group of youth has come together to learn about charity, set priorities for youth projects, and make

grants from the fund. In 2012, the YAC renamed the fund Youth Endowment Saskatoon, creating the anagram, YES! This new name reflects the positive spirit of youth, as well as the YAC's desire to say YES! to requests for support! 🌱

LEADERSHIP AWARD

IJEOMA NWAMUO OF INTERNATIONAL WOMEN OF SASKATOON

THE LEADERSHIP SASKATOON PROGRAM IS A DYNAMIC, NINE MONTH ADULT EDUCATION CURRICULUM INVOLVING MENTORSHIP, SELF-ASSESSMENTS, SITE VISITS, INTERVIEWS WITH CURRENT LEADERS, SEMINARS WITH GUEST EXPERTS, GROUP DISCUSSIONS, AND PROJECTS. THE SASKATOON COMMUNITY FOUNDATION'S LEADERSHIP SASKATOON AWARD PROVIDES FUNDING FOR A VOLUNTEER OR STAFF MEMBER OF A LOCAL CHARITY TO PARTICIPATE IN THE PROGRAM, PROMOTING LEADERSHIP IN THE CHARITABLE SECTOR.

Ijeoma Nwamuo was born in Nigeria and received her Bachelor of Laws from the University of Nigeria in 1999. She worked in many roles in the legal profession in Nigeria before ultimately emigrating to Canada in 2005 after completing post-graduate studies in the UK. Ijeoma has been the Executive Director of International

Women of Saskatoon since 2008. Knowing that life for women in developing countries can be very challenging, she has channelled her knowledge and passion toward helping women from other parts of the world find the mentorship, support and resources to overcome vulnerabilities affecting their ability to succeed as new

citizens of our community. The Saskatoon Community Foundation congratulates Ijeoma Nwamuo, the recipient of the 2016 Leadership Saskatoon Award! 🎉

IMAGINE A BRIGHTER FUTURE

THANKS TO YOUR GIFTS

WE CAN HELP YOU MAKE CONTACT WITH THE FUTURE OF OUR COMMUNITY THROUGH CHARITABLE GIVING.

When you decide to establish an endowment fund with the Saskatoon Community Foundation, you are making a lasting commitment to the future of our community. You can make gifts of cash, a designation in your will, a life insurance policy, real estate, or a gift of appreciated publicly traded securities. These gifts to the Foundation are invested in perpetuity with the income granted to charitable organizations. This means your original gift will make an impact in the community today, tomorrow, and forever.

TYPES OF FUNDS

Unrestricted Funds provide the Foundation with the most flexibility in responding to grant applications. This type of fund is not tied to any specific agency or field of interest, which allows the Foundation to address pressing, changing needs of the community.

Field of Interest Funds are established by donors who wish to support a specific charitable field of interest, such as arts, education, health, family and community, or the environment. Based on the donor's field of interest, the Foundation selects appropriate projects to support.

Donor Designated Funds are established by donors to support one or more specific charitable organizations in perpetuity.

Donor Advised Funds enable donors to be actively involved each year in recommending recipient charities.

Student Awards are established in the name of a donor, or in honour of someone else, to help individuals receive education or training they might not otherwise be able to access.

Saskatoon Community Foundation is a charity itself with ongoing expenses. Contributors to the **Administrative Endowment** recognize the importance of building the Foundations' capacity to lead and serve the community.

Agency Endowments are funds established by charities to generate annual income for their use.

Managed Funds are also established by charities, but are not endowed. The funds can be withdrawn at any time, but benefit from being part of the larger pool of investments.

Please contact the Foundation at (306) 665-1766 or visit saskatooncommunityfoundation.com for more details on how to set up a fund.

Community Builders are donors who make deferred gifts—a life insurance policy, a charitable trust, or a bequest by will. Although the gift is deferred, tax benefits can be immediate.

Flow Through Funds are not endowed. Donors may flow funds through the Foundation to the cause of their choice following Canada Revenue Agency regulations. We award flow through grants on behalf of individuals, families, or businesses.

The Saskatoon Fund, home to our memorial, tribute and Century Club donations, is one of the many funds that make up our Unrestricted Fund. Memorial and tribute gifts allow friends and family to donate in memory or in honour of a loved one. Century Club is the club for “everyday philanthropists.” Launched by Ross Pinder in 1982 to recognize Saskatoon's 100th birthday, Century Club members commit to donate at least \$100 a year. 🎉

We can create the future we desire through prudent management, best practices and the best expert advice. SCF's responsibility as the manager and steward of many different donor funds is something we take very seriously. We recognize that each donation, no matter the size, reflects trust in our ability to invest wisely and use the investment

earnings to improve our community in accordance with our donors' wishes. The management of our investment portfolio is accomplished through an active partnership between our Board of Directors, our Investment Committee and the professionals of Greystone Managed Investments. The Board of Directors provides guidance and oversight to the

entire process, with expert advice on policy from the Investment Committee. The Investment Committee also works closely with the staff of Greystone Managed Investments to invest our assets according to policy, establish performance benchmarks and monitor the performance of our portfolio. 🌱

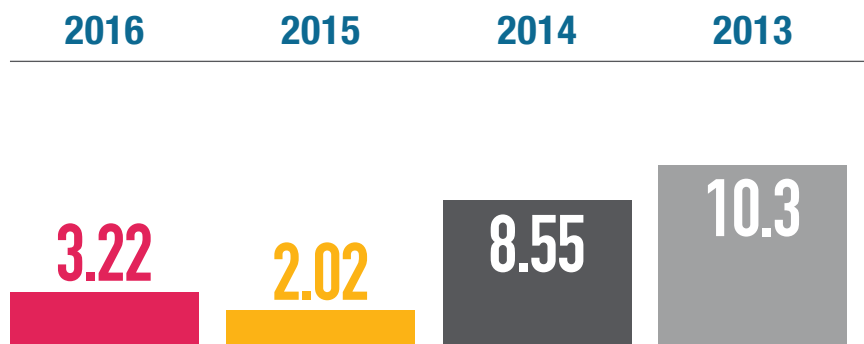

OUR INVESTMENT PHILOSOPHY REFLECTS THE FOLLOWING OBJECTIVES:

- Protect the capital of the fund
- Maintain a reserve for future declines in the market
- Achieve the granting objectives of the Foundation
- Recover the costs of managing and administering funds and providing donors with a wide array of philanthropic services
- Use an investment style that focuses on the long term

In fulfilling our fiduciary responsibilities, our goal is to obtain competitive total returns over the long term. This is accomplished through a strategic allocation of fixed assets among equities and fixed income securities.
