

SASKATOON COMMUNITY FOUNDATION

Donors are the Saskatoon Community Foundation. Every grant we make, every community initiative we support and every service we provide exists thanks to the gifts from thousands of generous donors since the Saskatoon Community Foundation was created by 7 community-minded individuals in 1970. Each time we add a gift to our endowment, that donation is kept forever, and will continue to benefit the people of Saskatoon forever. Donors to the Saskatoon Community Foundation come from all walks of life, from every part of the community. They may be individuals, couples, or families, businesses, other charities, or groups of citizens working together to address a community need or issue. All of these donors have one thing in common: they care about Saskatoon and have given to ensure it is the best community possible. We offer our heartfelt thanks to each and every one of these community supporters.
